

**HIGH COURT OF DELHI: NEW DELHI**

No.R-269/RG/DHC/2020

Dated: 16.05.2020

**OFFICE ORDER**

As per the directions of Hon'ble the Chief Justice, on the recommendations of the Hon'ble Information Technology Committee, the new Display Board System has been developed for showing the progress of the cases being heard by the Hon'ble Courts (through video conferencing) during the lockdown period. The new Display Board can be accessed by the Advocates and litigants in person from the same tab as already available on the website of Delhi High Court. The new Display Board would display the name of the Hon'ble Judge(s) sitting on a particular day, the item number going on and the status thereof. On double clicking the name of the Hon'ble Judge, the status of all the matters listed before the Hon'ble Judge can also be seen.

The court staff working with the Hon'ble Judges have been trained to feed the data regularly and promptly in the new Display Board software so that the progress of the cases listed before the court is available immediately to all concerned.
